Simple. Safe. Smart.

- ✓ **Charging and Walt Organization at Scale**
Charge up to 100 Walt Smart Radios in 88 minutes. Fits 20 Wranglers (5 Walts each).
- ✓ **Seamless Updates:**
Ensures all devices receive OTA updates while charging for peak performance.
- ✓ **Plug & Play Setup:**
Connects 20 Wranglers via a standard 120V outlet for the best way to organize your Walts.
- ✓ **Scalable & Customizable:**
Available in 2, 3, or 5-shelf configurations to scale as you grow your fleet of Walts.
- ✓ **Flexible Installation**
Choose from lockable wheels for mobility, floor mounting for stability, or wall mounting to save space.

What Our Customers Say

"The Walt PowerWall is essential to keep our 600+ employee, 24/7 site organized, fully charged, and ready for the next shift. We love how anyone can just tap and go with this streamlined solution. It's also super easy to install and we highly recommend them!"

– Michael Carter, COO | **Stella & Chewy's**
